COMPLAINT

I was around nine or ten years old when my father, Alvin Andrew Bates, Sr. also known as Bubba Bates, and I watched the Walter Cronkite CBS evening news. I did not know I was fold to this network. My father died around 1963; however, he did attend a real federal court hearing regarding a letter he received in the mail from someone telling him that the Queen of England Elizabeth II gave me a title called Fold. I do have federal legal rights to know the truth now that I am a grown adult.

I received a fold messaged from Anchor Scott Pelley that since the Walter Cronkite CBS evening news that they had a save money fold on their television news network. My concern why no one ever informed me in writing to attend a meeting or a court hearing to be told. What is the purpose and am I due any save gifts or rewards?

I have been agitated greatly by the CBS network and all other television networks while watching news and alive talk shows. What is wrong? I am fold and the Save for the United States to solve special duties in behalf of the Queen Elizabeth II of England. They are not suppose to have a save or fold programmed in their studios to harm my body or good character.
